Critical Information Summary

Websites and online stores

This summary explains the advertised Nubevest Next packages, inclusions and additional costs. Read it with your written quote or order and service terms. Combine services as add-ons; choose one tier per service. Your order confirms the selected services, payment dates, minimum term and any variations.

Plan and scope	Monthly option	Upfront option
Starter - 1 page	$69/month for 12 months Minimum total $828	$599 once
Business - up to 5 pages	$99/month for 12 months Minimum total $1,188	$899 once
Growth - up to 10 pages	$149/month for 12 months Minimum total $1,788	$1,499 once
Online Store - up to 5 content pages and 10 initial products	$199/month for 12 months Minimum total $2,388	$1,999 once

What is included

Template-based, mobile-friendly website design; a contact form; basic search metadata; two rounds of revisions; and the first 12 months of website hosting and SSL. Store packages also include the agreed initial product and checkout configuration.

Domains and business email are separate

Domain registration, domain renewals and business email accounts are not included in any website package. Purchase these separately through **MetaMeet**. Prices vary by domain extension, email product, selected plan, mailbox count and billing term. MetaMeet pricing and renewal terms are confirmed when you order. Website hosting and SSL do not include email hosting.

What you provide and what costs extra

You supply your logo, images, business details and core written content, plus authorised access where needed. Copywriting, new branding, custom features, extra pages or products, premium plugins, platform subscriptions, payment processing and work beyond the agreed scope are additional unless expressly included in your written order.

Minimum term and renewal

The website monthly option is a 12-payment commitment; the upfront option pays for the agreed build and first 12 months of hosting and SSL. Build instalments do not continue indefinitely. Ongoing hosting, SSL and any optional Care charges after the included period must be stated in your order before purchase. Store platform fees and renewals are separate. Ownership, handover and early-exit arrangements are set out in your written terms.

Critical Information Summary

Website Care and search engine optimisation

Optional Website Care

Add-on	Monthly fee	Included scope
Care	$30	Scheduled updates, backups and uptime monitoring; up to 15 minutes of minor edits monthly.
Care Plus	$69	Care services with up to 45 minutes of minor edits in total monthly.

Care is optional and separate from website build payments and hosting renewal. Minor edits are changes to supplied text and images. Unused editing time does not roll over. Redesigns, new pages and custom development require a separate quote. Minimum term, billing start and cancellation notice are specified in your order.

Example: Starter website plus Care is $99/month during the first 12 months, a minimum of $1,188 for those services over that period. After the build payments finish, any agreed Care and hosting charges are billed separately.

SEO plans

Plan	Monthly fee	Included scope each month
Silver	$299	One location; improvements to up to 2 existing pages.
Gold	$399	Improvements to up to 4 existing pages and 1 short content piece.
Platinum	$499	Improvements to up to 6 existing pages and 2 short content pieces in total.

Included across SEO plans

Initial website audit, Google Business Profile support and monthly reporting. The target website, locations, priority pages and content topics are agreed during onboarding. Gold and Platinum location coverage is specified in the written scope.

Limitations and additional work

SEO is ongoing improvement, not a guarantee of ranking position, traffic, enquiries or sales. Complex technical repairs, website redevelopment, paid advertising, additional locations and work outside the stated allowance are quoted separately. Publication requires timely client approval and suitable website access.

Billing and minimum term

SEO fees recur monthly. Your order confirms the start date, any minimum term, cancellation notice and any additional scope. The website build commitment does not automatically apply to SEO or Care. Domains and email remain separate MetaMeet purchases, with prices varying by plan.

Critical Information Summary

Meta Ads and Google Ads management

These are management services. **Advertising spend is not included** and is paid separately to Meta or Google from the client account. Each platform is a separately priced service.

Meta Ads management

Plan	Monthly fee	Included scope
Silver	$299	1 offer; up to 2 campaigns; 2 new static ad concepts monthly.
Gold	$399	Up to 3 campaigns; 4 new static ad concepts monthly.
Platinum	$499	Up to 4 campaigns; 6 new static ad concepts and 1 simple edit from client-supplied video monthly.

Google Ads management

Plan	Monthly fee	Included scope
Silver	$299	1 service group and 1 location; up to 2 Search campaigns.
Gold	$399	Up to 2 service groups and 3 Search campaigns.
Platinum	$499	Up to 3 service groups and 5 Search campaigns.

Setup and first month cost

One-time setup: $199 per advertising platform. A new Silver service is $498 in management and setup fees for its first month, plus the client advertising budget. Buying Silver on both platforms is $598/month plus $398 initial setup, before ad spend. Any setup waiver is recorded in the order.

What is included and what is separate

Campaign copy, agreed creative allowances, routine optimisation and monthly reporting are included. Filming, landing-page builds, Shopping feeds, complex tracking, additional creative production and larger or more complex accounts require a quote. Campaign counts are maximum allowances, not a requirement to run every campaign simultaneously.

Accounts access and outcomes

You provide account access, approved content and an agreed advertising budget. Tracking setup and permissions are agreed before launch. Platform approval, availability and performance are outside guaranteed outcomes; enquiries and sales are not guaranteed. Your order sets the service start, minimum term if any, cancellation notice and responsibility for pausing platform spend.

Critical Information Summary

Marketing consultation design and print

Marketing consultation

Service	Price	Included scope
Marketing Check-in	$99 once	45-minute consultation and a short action summary.
Monthly Marketing Advisor	$199/month	One 60-minute meeting monthly, results review and next-month priorities.
Marketing Action Plan	$399 once	Discovery meeting and a practical 90-day marketing plan.

Consultation covers advice and planning. Running campaigns, creating assets and building websites are separate services. Booking availability, appointment changes, deliverables and any recurring minimum term are confirmed when you order.

Design services

Design service	Price
Business card design	$49 once
Single-sided flyer or poster design	$79 once
Pull-up banner design	$99 once
Four-page brochure design	$199 once
Monthly design support - 2 simple static assets	$149/month

Design inclusions and client approvals

One revision per design asset is included. Provide the required size, logo, text, images and brand guidance. Substantial changes to an approved brief, extra concepts or revisions, copywriting and custom illustration are separately quoted. The quote specifies final file formats and delivery timing.

Printing and delivery are additional

Design prices do not include printed products. Printing is quoted by quantity, size, stock or material, finishing and delivery. Approve the final proof, spelling, contact details, quantities and specifications before production. Print lead times, delivery charges and change or cancellation arrangements are confirmed before the order is placed.

Other costs

Paid stock assets, specialist fonts and external production are included only when expressly stated in the quote. Domain names and business email remain separate purchases through MetaMeet; pricing varies by plan.

Critical Information Summary

Custom software and automation

Starting from $599/month including GST with a **minimum 24-month contract**. The minimum total is **$14,376 including GST** over the initial term. The final monthly price depends on the approved project scope and must be confirmed in the written proposal before purchase.

What the service may cover

A custom CRM, customer or staff portal, booking system, internal workflow, reporting dashboard, business automation or agreed integration. The proposal identifies the exact features, users, platforms, milestones and acceptance criteria for the selected solution.

What must be confirmed before signing

Item	What your proposal must state
Project scope	Included modules, workflows, integrations, user roles and agreed exclusions.
Delivery	Milestones, target dates, client dependencies, testing and approval process.
Ongoing service	Hosting, maintenance, backups, support allowance and response arrangements.
External costs	Third-party licences, usage charges, payment fees, messaging, email or API costs.

Changes and additional work

Features or integrations requested after scope approval are assessed separately and may change the price or delivery schedule. Data migration, complex integrations, onsite training, extensive content entry and third-party subscriptions are included only when expressly listed in the proposal.

Ownership access and handover

The written terms identify ownership and permitted use of the completed solution, source code or platform components, data access, administrative accounts, export options and any handover conditions. Confirm these arrangements before accepting the order.

Critical Information Summary

Domains business email and specialist projects

MetaMeet domains and business email

Item	Purchase and pricing
Domain registration and renewal	Purchased separately through MetaMeet. Price varies by domain extension, availability and registration period.
Business email and mailboxes	Purchased separately through MetaMeet. Price varies by provider, plan, mailbox quantity, storage and billing term.
Email migration and configuration	Confirm the required setup or migration work and any one-time fee before ordering.
Renewals and account management	Check the MetaMeet order for renewal price, billing, cancellation and transfer arrangements.

No domain or business email allowance is bundled into Nubevest Next prices. Any separately agreed contribution, discount or inclusion must appear explicitly in the written order. Domain availability and third-party email services are not guaranteed by a website package.

Other specialist projects

Apps, IT support, data migration, complex integrations and work outside an advertised package require a written quote. The quote identifies deliverables, milestones, responsibilities, access, third-party costs, payment schedule, support and acceptance criteria.

Critical Information Summary

Billing service changes and support

Prices and written scope

All prices in this summary are Australian dollars and include GST. Optional extras and third-party charges are additional only where disclosed and agreed. Promotions or customised arrangements must be recorded in your quote or order. Receive the full scope and applicable service terms before authorising payment.

Payment and recurring billing

The order states the first payment date and recurring billing cycle. Upfront purchases are charged once for the agreed scope; monthly services are billed on the agreed schedule. Website monthly payments run for 12 instalments. Custom software has a minimum 24-month commitment unless the written proposal expressly states otherwise. Hosting renewals, Care, marketing and other subscriptions are separately identified. Any setup fee must appear in the payment summary.

Delivery and customer responsibilities

Timing is confirmed for the agreed scope and begins once required information, assets, approvals and access are received. Client delays or changes can affect delivery dates. Use authorised account invitations for access; do not send passwords in ordinary email. Identify one approval contact and provide consolidated feedback.

Cancellation upgrades and refunds

Contact Nubevest to request a change, cancellation or refund review. Your written terms explain applicable minimum commitments, notice periods, work already completed, committed third-party costs and any refund arrangements. The website 12-payment and custom software 24-month commitments apply only to those selected services. No blanket cancellation charge is created by this summary.

Website ownership and handover

The written order identifies ownership of the completed website and content, any conditions for handover, and any external licences or platform limitations. Confirm domain and mailbox ownership under the separate MetaMeet purchase. Hosting transfer, migration and additional handover assistance are quoted where outside the original scope.

Support and complaints

For service, billing or delivery questions, email info@nubevest.com.au or use the contact page at www.nubevest.com.au. Include your business name, invoice or order number, affected service and a description of the issue. Ask for escalation to the account manager or Director if the issue remains unresolved.
